Dear Andre,

I write to you to compliment you and you staff, on an excellent job at 7 De Villiers Road

Small 'bitty' jobs are sometimes awkward and done slap-dash but I am very impressed with the care taken and the attention to detail

You did a professional job, neatly and exactly as discussed and quoted on and cleaned and cleared all rubble on leaving.

I highly recommend you to anyone wanting an excellent job and value for money.
You may get prospective clients to call me for a verbal reference on 083-6580606

Kind Regards

Shirley Murray
