**LETTER OF RECOMMENDATION**

AJ Paving did an excellent job of paving my driveway during February 2009.

The AJ Paving group of skilled pavers, worked quickly and efficiently and I was very impressed by the team work.

The work is supervised by owner Andre Jackson who believes in “doing it right the first time, so that there are little if no come backs”.

I was impressed at the speed in which the job was completed and am extremely happy with the resulting paved driveway. It is sure to have added much to the value of my property.

I would highly recommend AJ paving for all paving requirements.

Yours sincerely
